MONTRI

DISPONIBLE SUR Google Play

Télécharger dans l'App Store

Tous les services déchets du Grand Charolais réunis dans une application

The image shows two smartphone screens displaying the Montri app interface. The left screen shows a notification about a collection delay on October 24th, a statistic of 6,810 tonnes of recyclable waste collected, and a section for collection days. The right screen shows a calendar for October 2024 with collection dates marked by colored dots, and a toggle for alerts.
